When all you want is a little getaway cottage in the woods, this is the home you turn to. Everything you need is right here. Enjoy the open kitchen/great room with nearby master suite. Fill the upstairs rooms with bunk beds for the whole clan.

This is that fairy tale cottage in the woods you see in all the storybooks, only now it can be yours. This home is picture perfect and just the right size. Who knows, maybe Goldilocks did pick this out as the “just right” home; you’d have to ask the bears in the woods if that’s true. We certainly will take their word for it. Just make sure to let them know you are... *Home at Last.*
